

Lisa Couser – Board Member

Occupation: Coordinator, Security District of Columbia Public Schools

Education: Master of Science Administration of Justice and Security, University of Phoenix

Bachelor of Arts Criminology and Criminal Justice and Afro-American Studies, University of Maryland College Park

Other Information: Founder and Executive Director of The Malik Attila Cosby (MAC) Foundation, Incorporated, a non-profit agency. She founded The MAC Foundation Inc. after the death of her 11 year old son Malik Cosby from a deadly incurable disease called Spinal Muscular Atrophy in August of 2011. The MAC Foundation's main goal is to raise awareness about SMA and to assist families with the care of their children affected with SMA. Currently sits on the Family Advisory Board for the Pediatric Intensive Care Unit at Children's National Medical Center in Washington, D.C., and is Chairman and Board member of P.I.T.S. (Positive Innovations to Succeed) Sports.
